Lahaina Gateway Welcomes Kihei Caffe Lahaina

Kihei Caffe Expands to West Maui with Second Location and New Menu Offerings

Lahaina, Maui, Hawaii (June 22, 2021) – Lahaina Gateway, West Maui's largest outdoor shopping center, welcomes popular Maui eatery Kihei Caffe to their tenant roster. The Lahaina Gateway location marks the first expansion for the restaurant, which opened its doors in 1998 and has been named "Best Breakfast on Maui" for ten consecutive years by Maui Time Weekly.

Kihei Caffe Lahaina features their original menu favorites including the popular Loco Moco, Pork Fried Rice, Banana Macadamia Nut Pancakes, Prime Steak Burgers, salads and wraps. Guests can also enjoy a variety of delicious beverages including freshly squeezed juice, a variety of coffee drinks, smoothies and blended drinks.

The new restaurant takes over 4,374 square feet of space in a prime corner location by the intersection of Hono'api'ilani Highway and Keawe Street. The restaurant's design concept is inspired by the tropical roadside fruit and farm stands found around the island.

"We are excited to welcome a landmark Maui eatery to Lahaina Gateway," said Diana Whitt, General Manager/Vice President Property Management. "The addition of Kihei Caffe Lahaina is part of our ongoing revitalization of Lahaina Gateway, and we are proud to continue expanding our dining offerings with this long-standing Maui local resident and visitor favorite."

Kihei Caffe Lahaina has joined Lahaina Gateway's popular restaurants and island eateries including Moku Roots, Teddy's Bigger Burgers and Island Cream Co., in addition to nationally and locally recognized merchandise and service retailers; Foodland Farms, Ross Dress for Less, Ace Hardware, Local Motion, Claire's Boutique, David's Happy Nails, Galan Sports Chiropractic, Central Pacific Bank, Lei Floor & Window Covering, Mahina Boutique, Minit Medical, Supercuts, Spectrum, Rainbow Dialysis Lahaina, Verizon and The Vitamin Shoppe.
